[NOAA's Climate Stewards Education Project](#) (CSEP) and [Connecticut Sea Grant](#) are collaborating with Federal, State and NGO partners to convene a climate science and education workshop for formal and informal educators. Participants will learn from and interact with climate science, education and communication experts. The workshop will focus on topics of climate science and resilience strategies for the northeast region of the United States, with a goal of connecting educators and their students and/or audiences to the best available science-based information and pedagogic resources.

Registration for the workshop is on a first come first serve basis and the number of participants is very limited! When enrollment has reached capacity, online registration will be closed. Registration is \$40 per person. It includes daily lunch, snacks, field trips, and a plethora of resources! Attendees are responsible for arranging their own transportation and lodging.

To register for the workshop you must fully complete the [online form](#) **and** send a check or purchase order to: Connecticut Sea Grant - Climate Workshop, 1080 Shennecossett Rd, Groton, CT 06340.

You will receive an email confirming your participation in the workshop only when your registration fee has been processed. A detailed workshop itinerary, lodging and dining recommendations, and additional information will be sent to all confirmed registrants well in advance of the workshop.

All attendees will receive a certificate acknowledging their participation in the workshop as well as the number of professional development hours earned.
